Student 1: Hey, what are you doing here?

Student 2: I'm here for a job interview. What about you?

Student 1: Same thing man.

Student 2: No way, dressed like that?

Student 1: Yeah, I feel a bit underdressed. Ya think?

Student 2: Yes, I think so. I hope your web presence speaks a bit more highly of yourself than your dress.

Student 1: Web presence?

Student 2: Yeah, they will most likely check your web presence in this interview as well.

Student 2: Where are you going?

Student 1: I can't catch a break...I'm going to have to do something about my web presence.
